

- Load slides for presentations and pitches for posters before your session (Stein Hall B)
- Sign if you agree to publish your poster and presentation on the GFRA website (registration desk / Stein Hall B)
- If possible, provide your talks and posters as a pdf file for the website (Stein Hall B)
- Please put up posters (Stein Hall C & D). Posters will be up until Friday lunch time. Poster presenters to be at their posters as follows: posters 1-53 day one, posters 54-86 day 2.
- Poster pitches are not mandatory. Sign up for the session you want at the front desk

- Upload your identified gaps for the gap analysis using Tophat (see instructions in the abstract book) or paper (provided at the door). Hand in your forms at the door. If you want to mail your ideas, send to Cyril Gay (Cyril.Gay@ARS.USDA.GOV)
- New potential GFRA partners, collaborators and stakeholders, contact Cyril Gay (Cyril.Gay@ARS.USDA.GOV). For more information see: <https://www.ars.usda.gov/GFRA/>
- GFRA Partner meeting: Thursday 26 Oct 18:00 – 19:00 in Stein Hall A
